NEWS RELEASE

Bird River Retains Consulting Firm to Explore Building a Blockchain Asset Management Platform for use in the Oil & Gas Industry

Winnipeg, Manitoba, December 12, 2017 – Bird River Resources Inc. (CSE: BDR) (“Bird River” or the “Company”) is pleased to announce that it has retained API Consulting Inc. (operating as “API Garage”) and its BlockX Labs division in the research and development of asset management platforms utilizing its private blockchain technology. Bird River’s objective is to establish a wholly owned subsidiary which would provide access to historical records such as seismic data for use by the oil and gas industry as well as other resource industries. This new asset management platform would be based on using proprietary blockchain technology owned by Bird River.

This project is in the discovery phase and BlockX Labs has been contracted to determine the feasibility of developing the platform for these uses. BlockX Labs anticipates that it will be able to deliver a report on their work by the end of 2017.

BlockX is an arm’s length private company that has considerable experience in providing these kinds of services for clients in many industries. For their services, the Company has agreed to pay API Consulting Inc. the consideration of the amount of \$50,000, consisting of the issuance of 250,000 common shares of the Company to API Consulting Inc. at the price of \$0.10 per common share and the payment of \$25,000 cash.

“BlockX Labs is excited to partner with Bird River Resources to develop solutions to secure and control resource exploration data in the supply chain”, said Chinmay Patel, CEO API Garage.

“Bird River looks forward to the prospective development of this potential new revenue source”, said Donal Carroll, Director Bird River Resources Inc.

All securities issued pursuant to this agreement will be subject to a statutory four (4) month hold period from date of issuance and to any and all necessary corporate and regulatory approvals.
