

CAN DRY SUPREME

All Purpose Absorbent

Supreme processing

- Creates a harder product that does not break down like other absorbent products

Superior spill absorption

- Absorbs up to 140% of its own weight in liquid

Available in:

- 5 / 4.54 kg (10 lb) plastic bag (W151)
- 12 kg (26.4 lb) plastic bag (W152)
- 16.3 kg (36 lb) plastic bag (W154)

CAN DRY PLUS

Multi-Purpose Absorbent

Crystal processing

- Creates a fine granular product that covers greater surface area and absorbs faster

Fast-acting spill absorption

- Absorbs up to 130% of its own weight in liquid

Available in:

- 2.4 kg (5.3 lb) plastic jug (W028)
- 12 kg (26.4 lb) plastic bag (W027)
- 16.3 kg (36 lb) plastic bag (W026)

CAN DRY

All Purpose Absorbent
