

Eliminate Harmful Effects of Ammonia

Stalls, Barns, Trailers, Kennels and Pens

Natural Stall DRY Absorbent & Deodorizer provides more volume, greater absorption and better ammonia control than zeolite products. Non-Toxic and non-corrosive.

| | Zeolite (powder) | Zeolite (granular) | STALL DRY® Advantage |
|------------------------------|------------------|--------------------|----------------------|
| Moisture Content (%) | 3.10 | 3.25 | 5.35 |
| Absorption (ml/g) | 0.60 | 0.64 | 1.25 |
| % by weight | 60.0 | 64.0 | 125 |
| Ammonia Odor Remaining (ppm) | | | |
| 1 hour | >500 | 300 | 200 |
| 3 hours | 400 | 200 | 75 |
| 4 hours | 325 | 150 | 30 |
